### **Coravin 1000—Keep your wine fresh!**

Enjoy your favorite wine without pulling the cork! With the Coravin system, you can sip, share and enjoy your favorite wine without committing to the whole bottle or wasting a drop because you never uncork the bottle. The Coravin 1000 works by inserting a thin, hollow needle through the cork. The bottle is then pressurized with argon gas. The pressure pushes the wine through the needle into your glass without letting any oxygen into the bottle, preserving it for future drinking. System includes 2 pressurized Coravin Argon Capsules.
