PARTNER WITH JDRF

JDRF is the leading global organization funding T1D research. Our mission is to accelerate life-changing breakthroughs to cure, prevent and treat T1D and its complications.

More than 600 guests, including Boston's prominent philanthropists and business and community leaders will gather at the Boston Marriott Copley Place to help JDRF fund research to cure, treat, and prevent type 1 diabetes (T1D).

POSITION YOUR COMPANY AS A COMMUNITY LEADER

Partnering with JDRF provides your company with a valuable return on your business investment, along with endless networking and marketing opportunities. Local businesses and corporations will see that your company cares for its community.

PARTNER WITH A NATIONALLY RECOGNIZED NON-PROFIT

JDRF is the leading global funder of T1D research and has always been dedicated to maintaining the highest levels of efficiency to ensure that our time, resources, and dollars can achieve the greatest possible impact on the lives of people with T1D. We are effective stewards of donor dollars; in fact, approximately 80% of the funds we raise are invested in our mission.

INVEST IN THE FUTURE

JDRF-funded research encompasses T1D at every life stage, stopping its progression in people who are newly diagnosed, reversing it in those who have lived with the disease for years, avoiding or reversing complications, and preventing the disease in people at risk. Together, we can deliver better treatments and eventually a cure. Partnering with JDRF holds the promise of helping to create a world without T1D. Please join us.
