

Dear Prospective JDRF Youth Ambassador:

You are invited to apply for the 2019-2020 JDRF Youth Ambassador Program. Youth Ambassadors are individuals in grades 1-12 living with type 1 diabetes (T1D) and are the “face” of JDRF for the Arizona Chapter.

The responsibilities of a Youth Ambassador include providing awareness to our community and volunteer hours to JDRF. On the second page you will find a list of requirements and opportunities for involvement. To apply for the 2019-2020 Youth Ambassador class, [click here](#). Application deadline is July 15, 2019. In addition to the values gained through leadership, the JDRF Youth Ambassador Program provides social opportunities to all members promoting friendship, peer support, and good times!

We hope you will choose to apply for the JDRF Youth Ambassador Program. You will have the ability to educate the community and support JDRF in many ways. We want your voice, your participation, and your leadership.

**MANDATORY - SAVE THE DATE!**

The Youth Ambassador Kick-off will be held on Sunday, August 4, 2019 - 11:45 at an Arizona Diamondbacks game. More information forthcoming.

On behalf of JDRF, we are looking forward to working with you. Together, we can make a difference!

With Hope for a Cure,

*Wendi*
