

**13th ANNUAL
BROOKFIELD LIONS -- JDRF
STRIDES TO CURE DIABETES 5-MILER**

SUNDAY, JUNE 9, 2019 at 9:00 a.m.

**CADIGAN PARK
CANDLEWOOD LAKE ROAD
BROOKFIELD, CT 06804**

April 2019

The Brookfield Lions Club, together with JDRF (Westchester/Fairfield/Hudson Valley Chapter), are proud to once again co-sponsor this event to promote diabetes awareness and research. Together, our organizations will promote diabetes awareness in adults and youth, as well as the importance of continued research for prevention and cure.

For over 50 years, the Brookfield Lions Club has sponsored community-building activities as part of its overall mission to raise funds for eye research and vision care worldwide, and for related local charities. As diabetes is the leading cause of new cases of adult blindness, diabetes awareness is a top priority.

JDRF has been the recipient of a portion of the Brookfield Lions Club's annual fundraising dollars for many years. The goal of JDRF research is to improve the lives of all people affected by Type 1 diabetes by accelerating progress on the most promising opportunities for curing, better treating and preventing Type 1 diabetes. JDRF volunteers will be at the Strides to Cure Diabetes to provide information on prevention and management of this disease.

Help us make Strides to Cure Diabetes! We ask for your support in this highly visible, highly advertised regional event. Please consider placing your business in the vanguard. All checks should be made payable to: Brookfield Lions Charities, Inc., P.O. Box 660, Brookfield, CT 06804. Feel free to contact any of us should you have any questions.
