

ONE CAUSE | ONE DREAM | ONE GOAL

Fifty years ago JDRF became a reality with one cause, one dream and one goal: to believe in the promise of a world without Type 1 Diabetes (T1D). Today, we are honoring that mission by establishing the JDRF One Society, a special group of JDRF’s most generous donors.

We invite you to become an inaugural member of the One Society with a gift recognizing fifty years of hope and progress.

The JDRF One Society is for those individual donors who make an annual minimum contribution of \$10,000, as well as those who have contributed at least \$1,000,000 cumulatively. All tax-deductible gifts to any JDRF program or event (e. g., Gala, Ride, Walk, etc.) count towards membership, which is renewable on an annual basis.
