

J. McLaughlin  
SINCE 1977

# HELLO OCTOBER

As native New Yorkers, we're fascinated by the rich history of New York State, especially when it dovetails with our own history as a clothing brand. We love exploring the Hudson Valley, where the centuries-old villages are being re-invented by a new generation of creative entrepreneurs and tastemakers. When we discovered the Valley Rock Inn & Mountain Club in Sloatsburg, we instantly felt a sense of kinship. Then, when we learned this 19th-century village on the Ramapo River was once home to a family-owned cotton mill that produced its own textiles, we knew Valley Rock would be the perfect setting for our new collection of signature fabrics and easy silhouettes for autumn weekends, holiday parties and other festive get-togethers.
