

RESEARCH STUDY

Testing of the Diabetes Health Management and Distress Scale-Parents of Children (DHMDS-PC)

The Creighton University and UNC Diabetes Research and Wellness teams are seeking parents/caregivers to take a short survey about managing your child's health. Your participation in this 15-minute survey will provide valuable information regarding the development of this new healthcare assessment.

The study is open to families who:

- Have a child with Type 1 Diabetes
- Have internet access to take an online survey
