

JDRF One Walk Rhode Island Sunday, October 16, 2016

The funds and support raised by JDRF One Walk—our flagship fundraising event and the largest type 1 diabetes (T1D) event in the world—help us turn Type One into Type None. Your dedication inspires us and we know that, with your support, we will reach our goal of raising more than \$192,444 at this year’s Walk! We look forward to Walk Day where we can celebrate your commitment and the strength of the T1D community.

Before The Walk

- We HIGHLY encourage all Walkers to pre-register online at walk.jdrf.org/rhodeisland2016. Not only does this make Check-In go more smoothly, it allows you to get to the fun and not wait in line.
- You can mail in gifts to JDRF before the Walk at P.O. Box 609, Harrisville, RI 02830 or drop by the office at 2350 Post Road, Suite 201, Warwick, RI 02886 (we’d love to see you and thank you in person!). **Be sure to read the enclosed Walk Donation Tips Sheet.** Turning in funds earlier is another great way to ensure a speedy check-in process on Walk Day!

Walk Day Schedule

9:45 a.m.	Welcome Remarks
10 a.m.	Walk Starts

When You Arrive

All teams and individual walkers are to proceed to the Check-In Area upon arrival. Please see the enclosed map to get acquainted with the site. If you have a t-shirt to enter in the Most Creative Team T-Shirt Contest, please turn it in at Check-In.

- **NEW THIS YEAR—V1P Check-In:** If you have personally raised more than \$1,000, you are a V1P (Thank you! You rock!) and there will be a designated Check-In line just for you! This is our way of making Walk Day a little bit easier for our top fundraisers. You will also pick up your V1P lanyard here for exclusive access to our V1P Tent.
- **General Check-In:** If you have pre-registered online and have gifts to turn in, donations should be counted and sealed in a completed Walker Collection Envelope. An accurate total of money contained in the envelope must be clearly written on the outside of the envelope. Every walker turning in funds should turn in their own separate envelope. This helps us make sure the proper walker is credited. It is extremely important that Walker Collection Envelopes are filled out completely and accurately. Walker Collection Envelopes will be available at the Registration Tables near the Check-In Tent. **Please be sure to read the enclosed Walker Collection Envelope Instruction Sheet for more details on how to fill out your envelope.**
- **Unregistered Walkers:** We would like to collect basic information for everyone attending JDRF One Walk. If you or members of your team have not registered, please proceed to one of our Registration Tables to complete a Walker Collection Envelope. If you are turning in donations, please clearly write on the outside of the envelope the total amount enclosed and proceed to Check-In. If you have no money to turn in, please hand your completed envelope to a volunteer greeter.

- **Get a T-Shirt Ticket at Check-In:** Did you personally raise \$100 or more for JDRF? Thank you for your support! Be sure to get a t-shirt ticket at Check-In and pick up your t-shirt in the main tent t-shirt area.

Food and Refreshments

- While we provide as many refreshments as possible, thanks to our in-kind partners, **please understand that we have a limited quantity of food and beverage available and we are not able to meet all dietary needs.** We ask that you please come prepared in order to enjoy the activities of the day.

Walk Route

For your safety and convenience, this year's Walk route will lead you three times around the perimeter of the upper farm for a full 5K. We will be offering a shorter Family Friendly route option this year. Please see the enclosed route map for details and remember to follow the JDRF signs as you make your way along the route. While unpaved, the grass and dirt grounds are level and accessible. Umbrella strollers are not recommended.

- **The Vendor Tent will be open before and after the Walk.** This year we'll be joined by fantastic partners including Omnipod, Dexcom, Medtronic, Novo Nordisk, Sanofi Diabetes, Tandem, and TrialNet.
- **The Activities Tent is the place to be...** Stop by for games, sand art, face painting, temporary tattoos, and JDRF One Walk eye blacks. Take a photo and then post it on your favorite social media site using **#JDRFOneWalk #LincolnRI**.
 - **New this year! Grab a Sharpie and complete a walk bib to let everyone know what or who motivates you to walk.**
- **Visit our New Family, JDRF Information, and Advocacy Tent** to learn more about JDRF, our research efforts, and how you can become involved locally.

- **If this is your first Walk, be sure to pick up your New Family Drawstring Backpack here.** Special thanks to Lilly Diabetes, JDRF One Walk National New Family Sponsor.
- **Bandanas for our T1D Walkers:** JDRF is motivated by the millions of children and adults challenged by T1D every single day. We celebrate your strength and the sense of hope and empowerment that Walk Day brings, and invite you to pick up a special "T1D Looks Like Me" blue bandana.

- **For our V1Ps, you and a guest are invited to the V1P Tent which will feature special giveaways and other surprises!**
- **Walk Day entertainment** will be provided by the DJ Joey Flush.

IMPORTANT: Information pertaining to cash/check Walk donations!

- Cash and checks that have not been received by JDRF prior to Walk Day but have been entered into your Participant Center will temporarily disappear from your Participant Center and fundraising piggy bank on Monday, October 17 to avoid us counting them twice.
- Immediately following the Walk we'll begin entering all money turned in on Walk Day and expect to be finished within four weeks. Once complete, the donations you turned in on Walk Day will appear on your fundraising page as confirmed donations.

Walk Donation Tips

- Encourage your donors to visit your personal or team page to make a gift online.
- Don't hold onto your Walk donations until Walk Day! Send checks or money orders—no cash, please—to JDRF at P.O. Box 609, Harrisville, RI 02830-0609.
- Download a Walker Collection Form from your Participant Center to track the gifts you are submitting.
- Write the team name and walker name on each check and/or money order you turn in. This helps ensure all Walk donations are posted to the correct team and/or walker!

- Convert your cash into a more secure check or money order before turning it in.
- Be sure checks and money orders have the donor's name and address on them.
- We are required by the IRS to send an acknowledgement letter for gifts of \$250 and above; we need the donor's address to do so. For checks under \$250, their cancelled check is their receipt.
- If the donor address is absent, the acknowledgement letter will be sent in care of the walker or team captain so you may forward it on to the donor.

Incentive Prizes and Awards

- If you raise \$250 or more you will qualify for our fundraising rewards program featuring a variety of branded JDRF items at each giving level. All qualified participants will receive a gift catalog via email within 10 weeks post-Walk.
- If you do not wish to receive a catalog, please log in to your Participant Center to opt out of the fundraising rewards program.
- Please note: Any funds submitted within four weeks after Walk Day are included in qualifying totals for individual fundraising awards. Of course, funds raised after this date will help us to increase the amount of money we are able to direct toward research that will bring us closer to a world without type 1 diabetes. Kindly note, team totals and general team donations are not applied to the incentive program.
