## JOIN VIOLET'S AVENGERS IN A FUNDRAISER FOR JDRF RIDE TO CURE

This October, 16 year old Violet and her mom Marianne will ride their bikes 100 miles to raise money and awareness for Type 1 diabetes (T1d). Violet, an honors student at Burlington High School, was diagnosed with T1d ten years ago at the age of 6.

**We are still searching for a cure, and you can help!**

**Come join us for a night of music, prizes, raffles, and fun!**

Type 1 diabetes is an autoimmune disease that renders the pancreas useless. People with T1d must rely on shots of insulin and constant blood sugar checks in order to live. The condition is chronic and life long, UNTIL we find a cure.
