jamendolare@wellsfargo.com**

JDRF is the leading global organization funding type 1 diabetes (T1D) research. JDRF's goal is to progressively remove the impact of T1D from people's lives until we achieve a world without T1D. In addition, JDRF offers personalized support to people living with T1D and to their families and caregivers. To learn more, please visit newengland.jdrf.org.

**Note: This program is intended for informational purposes only
and is not a substitute for professional medical advice.**
