

Stronger Together Bingo!

Here's how it works:

1. Print out or save the bingo card on the following page and fill it in with the 24 activities from the list below. Only use each activity once on your board.
2. Bingo launches on Sunday, March 29—make sure to fill out your card by then!
3. Daily, we will announce the bingo activity on our Instagram and Facebook page (@jdrfnewenglandchapter). Make sure to post your photo and/or video and tag us on social media! Then you can cross out that square.
4. The first five people to get five in a row across, down, or diagonal win a JDRF water bottle.
5. Once you get five in a row, email a photo of your completed board to newengland@jdrf.org.
