

We want to spotlight T1D Champions throughout northern and central California! These Champions are individuals with type 1 diabetes (T1D) or their greatest supporters advocating, fundraising and donating to improve the lives of those affected by T1D. We want to celebrate T1D Champions from our community; spanning from northern border of California, throughout the Sierra, Sacramento and Central Valley.

Fill out the form below to share your story for the chance to be featured in our monthly newsletter and social media pages!

GUIDELINES FOR SUBMITTING:

- Please send an individual picture. Recommended size is 1200 pixels, square. Smile and show us your personality! A cell phone picture works great!
- Include all information requested below.
- For your statement, tell us how you (or your child in their own words) live like a T1D champion.
- By submitting your story and photo, you are agreeing to be featured on the JDRF Northern California Chapter website, the JDRF Northern California Instagram (@NorCalJDRF), Facebook (JDRF Northern California) and Twitter (@NorCalJDRF) pages.
- Questions? Email us at northernca@jdrf.org
