## **BREAKOUT SESSIONS**

### **Taking T1D to School / After High School: Panel Discussion**

*Presenters: TBD*

Going to school with type 1 diabetes requires a lot of preparation and planning, from training school staff to ensuring your child's rights are protected. Learn tips and strategies for making your child's school experiences a success. **Breakout Sessions A & B**

### **Navigating the Emotional Side of T1D**

*Presenters: Nancy Heffron, MFT*

This session is geared to caregivers of children living with T1D and adult T1Ds, and the emotional side to dealing with the ups and downs of daily life. Nancy Heffron has lived with T1D for over 40 years and will offer tips on how to best minimize the day to day stress of managing the disease from prioritizing goals (not everything has to be perfect) to planning ahead to minimizing parent/kid conflicts and reducing anxiety.

**Breakout Sessions A & B**

### **Hybrid Insulin Delivery System Updates: Panel Discussion**

*Presenters: Jill Davy, Theresa Grumet, Sharon Robinson, Kara Hornbuckle, and Katie Haq*

Learn more about the latest technology and how it is used to manage T1D. Learn how to transform diabetes care for greater freedom and better health. **Breakout Sessions A & B**
