

New JDRF One Walk App!

Do More to Help Fight Type 1 Diabetes

The **NEW JDRF One Walk app** is a powerful tool that will help you raise more funds for critical T1D research and reach your goals—right from the palm of your hand! In fact, Walkers who use the app can raise up to 3 times more!

Personalize Your Fundraising Page

Customize your fundraising page with a message about why you Walk and raise money for T1D research. Update your photo and add a fun sticker or frame!

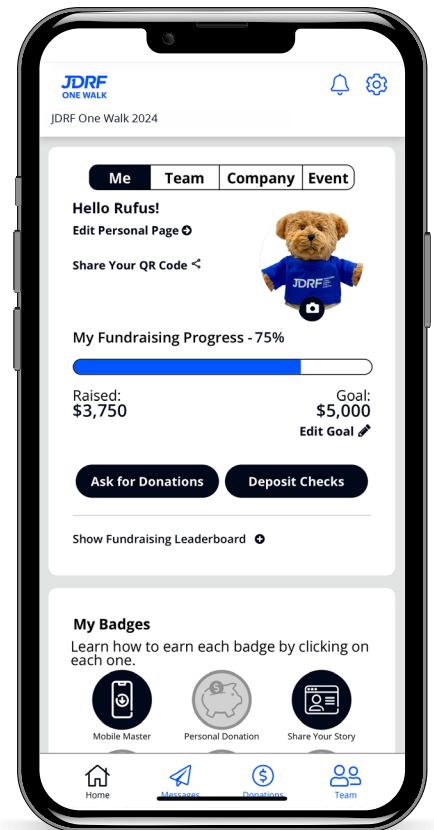

PRO TIP Fundraisers who personalize their story and photo raise more money, on average, than participants who don't. Share your why and show your passion!

Send Texts, Emails and Messages to Ask for Support

Click the "Send Messages" icon to send texts or emails and post social media messages to ask for support. Get your fundraising rolling with our pre-written templates, that include a link to your fundraising page.

PRO TIP Schedule periodic posts on LinkedIn to automatically update your supporters leading up to Walk Day.

Create a Facebook Fundraiser Connect your fundraising efforts directly to your Facebook account by clicking "Connect Fundraiser to Facebook" on your app home page. You will be prompted to log in to Facebook and click "OK" to allow permissions to link to your page.

Deposit Checks and Track Fundraising Progress Use the mobile check deposit feature and watch your donations appear on your fundraising thermometer in real time. No more printing forms or mailing in checks! Earn badges as you fundraise, too!

Be the First to Know! We'll communicate about Walk Day and send important updates through the app. Be sure to say "yes" to allowing app push notifications, so you are always in the know!

Getting Started is as Easy as 1-2-3!

1. Simply scan the QR code or visit the Apple App Store or Google Play on your device.
2. Search for "JDRF One Walk," and follow the steps to download and launch the app.
3. Log in with the username and password you created during Walk registration.
